

One Punch Man Vol 1: The Origin of Saitama

One Punch Man Vol 1 introduces us to Saitama, an unassuming salaryman with an extraordinary secret: he possesses overwhelming strength that allows him to defeat any opponent with a single punch. Bored with the lack of challenge in his life, Saitama decides to become a superhero for fun.

This volume follows Saitama as he encounters various monsters and villains, including the Crablante, the Mosquito Girl, and the Speed-o'-Sound Sonic. Despite their formidable appearances and abilities, Saitama effortlessly defeats them all with his signature "Serious Punch."

Saitama is the protagonist of One Punch Man. He is an incredibly powerful superhero who can defeat any opponent with a single punch. Despite his immense strength, Saitama is surprisingly humble and kind-hearted. He is also quite lazy and unmotivated, often preferring to spend his days playing video games or reading manga.
