The Three Fates

The title poem of the collection, "The Three Fates," introduces us to the ancient Greek goddesses who control the destiny of all mortals. Clotho spins the thread of life, Lachesis measures its length, and Atropos cuts it short. The poem explores the complex relationship between fate and free will, and the power of choice to shape our own destinies.

The Three Fates, they spin and weave, The threads of life, they hold and
